

Delta Governance

Delta Academies Trust (the Trust) was incorporated on the 23 September 2010. It is a company limited by guarantee with no share capital (registration no. 07386086) and is an exempt educational charity under the Academies Act 2010. The charitable company's memorandum and articles of association dated 11 October 2010, are the primary governing documents of the Trust. The Trust is a single-trust multi-academy sponsor, with a clear geographical context, mainly in the Yorkshire and Humber region. It acts as one employer across all the academies which it sponsors.

The Members have an overview of the governance arrangements of the Trust and the power to appoint and remove directors.

The Directors of the charitable company are directors for the purposes of the Companies Act 2006 and trustees for the purposes of charity legislation. Directors of the charitable company are nominated by either the Secretary of State for Education or by the members. Directors, who are appointed on a voluntary basis, are drawn from the public and private sector, and bring significant educational and other professional expertise.

The Trust Board of Directors is the legal governing body of all academies within the MAT and remains accountable in law and to OFSTED and the Education and Skills Funding Agency for the exercise of its functions. The specific functions and decisions that are reserved to the Board are set out in the Trust's Scheme of Delegation. The Trust Board of Directors meets at least four times a year and its rules and methods of operation are set out in the Trust's published Memorandum and Articles of Association. The Board of Directors (BoD) sets out group strategy and operational policies, which are then applied within and across all academies through Education Advisory Bodies (EABs) which are established in each academy.

Sub-committees of the BoD, together with their Terms of Reference were reviewed during the 2016/17 academic year. The following committees were formed with terms of reference and delegated powers which are reviewed by the board on an annual basis:

- Audit and Risk
- Finance and Capital
- Remuneration
- Education Committee
- Education Advisory Bodies.
