5.8. Where the Secretary of State has given notice of his intention to terminate this Agreement in accordance with clauses 5.6 and 5.7 and –

he may by notice in writing terminate this Agreement with effect from a specified date.

Termination with Immediate Effect

5.9. If the Secretary of State has cause to serve a notice on the Company under section 165 of the Education Act 2002 and a determination (from which all rights of appeal have been exhausted) has been made that the Academy shall be struck off the Register of Independent Schools, he may terminate this Agreement by notice in writing to the Company such termination to take effect on the date of the notice.

Notice of Intention to Terminate by Company

5.10. The provisions of this clause 5.10 and of clauses 5.11 to 5.15 (inclusive) shall apply when the Project Agreement has expired or been terminated (for so long as the Project Agreement is extant the provisions of clauses 5.16 to 5.27 below shall apply in places of clauses 5.10 to 5.15). The Secretary of State shall, at a date preceding the start of each Academy Financial Year, provide to the Company an indication of the level of funding to be provided by the Secretary of State to the Company by way of GAG and EAG in the next following Academy Financial Year (the “**Indicative Funding**”). If the Company is of the opinion that, after receipt of the Indicative Funding for the next following Academy Financial Year (the “**Critical Year**”) and of the taking into account all other resources available and likely to be

available to the Academy, including such funds as are set out in clause 73 of the Master Agreement and such other funds as are and likely to be available to the Academy from other Academies operated by the Company ("**All Other Resources**"), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current Academy Financial Year.

5.11. Any notice given by the Company under clause 5.10 shall be in writing and shall be served on the Secretary of State not later than 28 February preceding the Critical Year or, if the Secretary of State shall not have given notice of the Indicative Funding to the Company on or before the date specified in clause 5.10 above, within six weeks after the Secretary of State shall have done so. The notice must specify:

5.11.1. the grounds upon which the Company's opinion is based and include the evidence of those grounds and any professional accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of running the Academy are reduced sufficiently to ensure that such costs are less than the Indicative Funding and All Other Resources and the period of time within which such steps will be taken; and

5.11.2. the shortfall in the Critical Year between the Indicative Funding and All Other Resources expected to be available to the Company to run the Academy and the projected expenditure on the Academy; and

5.11.3. a detailed budget of income and expenditure for the Academy during the Critical Year (the "**Projected Budget**").

5.12. Both parties undertake to use their best endeavours to agree whether or not the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent. Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem.

5.13. If no agreement is reached by 30 April (or such other date as may be agreed between the parties) as to whether the cost of running the Academy during the

Critical Year on the basis of the Indicative Funding and All Other Resources would cause the Company to become insolvent, then that question shall be referred to an independent expert (the “Expert”) for resolution. The Expert’s determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination the amount of the shortfall in funding (the “Shortfall”). The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or Academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales. The Expert’s fees shall be borne equally between the parties.

- 5.14. The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust. The educational specialist’s fees shall be borne equally between the parties.
- 5.15. If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary of State shall not have agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this Agreement, by notice expiring on 31 August prior to the Critical Year. Any such notice shall be given within 21 days after (a) the Expert’s determination shall have been given to the parties or (b), if later, the Secretary of State shall have given written notice of his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.
- 5.16. The provisions of this clause 5.16 and of clauses 5.17 to 5.27 (inclusive) shall apply when the Project Agreement is subsisting (when the Project Agreement has expired or been terminated the provisions of clauses 5.10 to 5.15 above shall apply in place of clauses 5.16 to 5.27). The Secretary of State will, at a date preceding the start of each Academy Financial Year, provide to the Company an indication of the level of funding to be provided by the Secretary of State to the Company by way of GAG and EAG in the next following Academy Financial Year (the “Indicative Funding”).
- 5.17. For the purpose of clauses 5.17 to 5.27:

"Critical Years" means the then current financial year and, if an annual letter of funding or its equivalent has been received for the following financial year, that following financial year;

"Current Funding" means the funding specified in the annual letters of funding (or their equivalent) for the Critical Years and all other resources available and likely to be available to the Company, including such funds as are set out in the Master Agreement;

A **"PFI EAG Refusal"** occurs where:

- (a) the Company has made a request for EAG funding to cover any costs that the Company has incurred or reasonably considers is likely to incur as a result of meeting its obligations and/or discharging its liabilities under the School Agreement or the Principal Agreement; and
- (b) the Secretary of State has not agreed, in accordance with clauses 55 and 56 of the Master Agreement, to provide such EAG funding to the Company.

5.18. Within 30 days of being notified by the Secretary of State of a PFI EAG Refusal, the Company may provide written notice that it considers that, after taking into account its Current Funding, it is likely that the running costs during the Critical Years would cause the Company to go into insolvency ("**Company Insolvency Notice**")

5.19. Any Company Insolvency Notice must specify:

5.19.1. the grounds and evidence, including any professional accounting advice, upon which the Company's opinion is based;

5.19.2. a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the running costs are reduced sufficiently in the Critical Years to ensure that such costs are less than its Current Funding and the period of time within which such steps will be taken;

5.19.3. the shortfall in the Critical Years between the Current Funding expected to be available to the Company to cover the running costs and the projected expenditure of the Company; and

5.19.4. a detailed budget of income and expenditure for the Academy during the Critical Years.

- 5.20. Within 15 days of the provision of the Company Insolvency Notice, both parties shall discuss and if possible (using reasonable endeavours) agree whether or not on the basis of the Current Funding, it is likely that the running costs during the Critical Years would cause the Company to go into Insolvency and such Insolvency could not be avoided through prudent financial management (including, but not limited to, using GAG funding prudently in order to cover the normal reasonable running costs of the Academy). Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their reasonable endeavours to agree a practical solution to the problem.
- 5.21. If the parties are unable to reach an agreement in accordance with clause 5.20 within 15 days of the Company Insolvency Notice being served, then the following questions shall be referred to an independent expert (the "Expert") for determination:
- 5.21.1. whether, on the basis of the Current Funding, it is likely that the running costs during the Critical Years would cause the Company to go into Insolvency;
 - 5.21.2. whether the Company is using the funds provided under this Agreement and the Master Agreement prudently; and
 - 5.21.3. whether the Company is using the funds provided under this Agreement and Master Agreement in accordance with the requirements of this Agreement and the Master Agreement.

The Expert's determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination:

- (a) the amount of the shortfall (if any) in funding between the running costs and the Current Funding during the Critical Years (the "**Shortfall**"); and
- (b) (if appropriate) recommendations as to future spending and the running costs.

The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales.

- 5.22. The parties shall procure that the Expert (together with any educational specialist appointed pursuant to this clause) will act promptly in determining the matters referred to him. The Expert shall be required in performing his role to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and Academies Trust.
- 5.23. The Expert's and the educational specialist's fees shall be borne equally between the parties.
- 5.24. For the purpose of clauses 5.25 and 5.27, "**Insolvency Decision**" means either
- 5.24.1. in accordance with clause 5.20, the Secretary of State agrees with the Company that on the basis of the Current Funding it is likely that the running costs during the Critical Years would cause the Company to go into Insolvency which could not be avoided through prudent financial management (including, but not limited to, using GAG funding prudently in order to cover the normal reasonable running costs of the Academy);
or
 - 5.24.2. an Expert determines in accordance with clause 5.21 that on the basis of the Current Funding it is likely that the running costs during the Critical Years would cause the Company to go into Insolvency or that the Company is not using the funds provided under this Agreement and Master Agreement prudently and in accordance with the requirements of this Agreement and the Master Agreement.
- 5.25. Within 10 Business Days of an Insolvency Decision, the Secretary of State may either at its option:
- 5.25.1. withdraw the PFI EAG Refusal and promptly pay to the Company the amount of requested EAG funding or such other sum as shall be appropriate; or
 - 5.25.2. terminate this Agreement on not less than 20 Business Days notice to the Company.
- 5.26. In the event that the Secretary of State provides additional EAG funding in accordance with clause 5.25, the Secretary of State may within 12 months of paying the additional EAG funding, terminate this Agreement at any time.

5.27. In the event that there is no Insolvency Decision, this Agreement shall continue and the Secretary of State shall not be obliged to pay to the Company the requested EAG funding.

6. EFFECT OF TERMINATION

6.1. In the event of termination of this Agreement however occurring, the school shall cease to be an Academy within the meaning of Sections 1 and 1A of the Academies Act 2010.

6.2. Subject to clauses 6.3 and 6.4, if the Secretary of State terminates this Agreement pursuant to clause 5.1 of this Agreement, the Secretary of State shall indemnify the Company. If the Secretary of State terminates this Agreement otherwise than pursuant to clause 5.1 of this Agreement, the Secretary of State may in his absolute discretion indemnify or (to such extent if any as he may in his absolute discretion consider appropriate) compensate the Company.

6.3. The amount of any such indemnity or compensation shall be determined by the Secretary of State having regard to any representations made to him by the Company, and shall be paid at such times and in such manner as the Secretary of State may reasonably think fit.

6.4. The categories of expenditure incurred by the Company in consequence of the termination of the Agreement in respect of which the Secretary of State shall (where the Secretary of State terminates this Agreement pursuant to clause 5.1) indemnify the Company and may (where the Secretary of State terminates this Agreement otherwise than pursuant to clause 5.1) in his absolute discretion indemnify or compensate the Company include (but not by way of limitation), staff compensation and redundancy payments, compensation payments in respect of broken contracts, expenses of disposing of assets or adapting them for other purposes, legal and other professional fees, and dissolution expenses.

6.5. Subject to clause 6.6, on the termination of this Agreement however occurring, the Company shall in respect of any of its capital assets at the date of termination:

- (a) promptly transfer a proportion of the assets to a person nominated by the Secretary of State, if the Secretary of State considers that all or some of those assets need to be used for any educational purposes by that nominee. The proportion of the assets to be transferred shall be the same as the proportion of the capital contribution made by the Secretary of State to the original value of those assets, whether that contribution was made

on the establishment of the Academy or at a later date; or

- (b) if the Secretary of State confirms that a transfer under clause 6.5(a) is not required, promptly repay to the Secretary of State a sum equivalent to the percentage of the value of the assets at the date of termination, or, by agreement with the Secretary of State, at the date of subsequent disposal of those assets. Such percentage to be the same as the percentage of the capital contribution made by the Secretary of State to the original value of those assets, whether that contribution was made on the establishment of the Academy or later.

6.6. The Secretary of State may waive in whole or in part the repayment due under clause 6.5(b) if:

- (a) the Company obtains his permission to invest the proceeds of sale for its charitable objects; or
- (b) the Secretary of State directs all or part of the repayment to be paid to the LA.

6.7. The sale or disposal by other means of publicly funded land held for the purposes of an Academy is now governed by Part 3 of Schedule 1 to the Academies Act 2010.

Restrictions on Land transfer

In response to an application for financial assistance, the Secretary of State may agree to meet the costs of the employees' prior eligible service, being service prior to the opening of the Academy, but the Company will be required to meet the costs of service after the opening of the Academy.

ANNEX TO THIS SUPPLEMENTAL AGREEMENT

Requirements for the Admission of pupils at the Academy

Annex 1

Annex 1

REQUIREMENTS FOR THE ADMISSION OF PUPILS TO MANOR CROFT ACADEMY

GENERAL

1. This annex may be amended in writing at any time by agreement between the Secretary of State and the Company.
2. Except as provided in paragraphs 2A to 2B below the Company will act in accordance with, and will ensure that an Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the School Admissions Code, and the School Admission Appeals Code published by the Department for Education ("the Codes") as they apply at any given time to maintained schools and with equalities law and the law on admissions as they apply to maintained schools. For this purpose, reference in the Codes or legislation to "admission authorities" shall be deemed to be references to the Directors of the Company.
 - 2A. The Company is permitted to determine admission arrangements (subject to consultation in accordance with the School Admissions Code) that give priority for admission (but not above looked after children and previously looked after children¹) to other children attracting the pupil premium, including the service premium ('the pupil premium admission criterion'). Where a Company exercises this freedom it will provide information in its admission arrangements of eligibility for the premiums.
 - 2B. For the purposes of applying the pupil premium admission criterion only, sections 1.9(f) and 2.4(a) of the School Admissions Code do not apply insofar as they prevent admission authorities from giving priority to children according to the financial or occupational status of parents or using supplementary forms that ask for:
 - any personal details about their financial status; or
 - whether parents are serving in the armed forces (of any nation), stationed in England, and exercising parental care and responsibility for the child in question.

¹ As defined in the School Admissions Code

3. Notwithstanding the generality of paragraph 2 of this Annex, the Company will participate in the co-ordinated admission arrangements operated by the Local Authority (LA) and the local Fair Access Protocol.
4. Notwithstanding any provision in this Annex, the Secretary of State may:
 - (a) direct the Company to admit a named pupil to Manor Croft Academy on application from an LA. This will include complying with a School Attendance Order². Before doing so the Secretary of State will consult the Company;
 - (b) direct the Company to admit a named pupil to Manor Croft Academy if the Company has failed to act in accordance with this Annex or has otherwise failed to comply with applicable admissions and equalities legislation or the provisions of the Codes;
 - (c) direct the Company to amend its admission arrangements where they fail to comply with the School Admissions Code or the School Admission Appeals Code.
5. The Company shall ensure that parents and 'relevant children'³ will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of the Company. The Independent Appeal Panel will be independent of the Company. The arrangements for appeals will comply with the School Admission Appeals Code published by the Department for Education as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel is binding on all parties.

Relevant Area

6. Subject to paragraph 7, the meaning of "Relevant Area" for the purposes of consultation requirements in relation to admission arrangements is that determined by the local authority for maintained schools in the area in accordance with the Education (Relevant Areas for Consultation on Admission Arrangements) Regulations 1999.

² Local authorities are able to issue school attendance orders if a child is not attending school. These are legally binding upon parents. Such an order might, for instance, be appropriate where a child has a place at an Academy but his/her parents are refusing to send him/her to school. The order will require a parent to ensure his/her child attends a specified school.
