

Example tasks

Using the full mark example, have a go at writing another response using one of the following questions. Remember what the example answer did well and develop your writing to improve your marks!

- (a) 'Some children want access to their phones, tablets and TVs all day'

As part of the student council, you have been asked to write a speech to parents advising them on access to technology for their children.

- (b) 'The school canteen just doesn't have enough variety in meal choices'

As part of the student council, you have been asked to write a speech to the head teacher advising them on how to improve the school meal choices.

- (c) 'We are all using too much plastic in our day-to-day lives'

As part of the student council, you have been asked to write a speech to students advising them on how to reduce their plastic use.
